FLAG POLE CLEAT ROUNDED

Our A4 stainless steel rounded flag pole cleats are essential components designed for securely fastening flags to poles in various outdoor settings. Crafted from high-quality A4 stainless steel (316 grade), these cleats offer superior corrosion resistance and durability, making them ideal for prolonged exposure to harsh marine and outdoor environments. The rounded design enhances their aesthetic appeal while providing a functional shape that facilitates easy tying and securing of flags. These cleats come in different sizes to accommodate various flagpole diameters and flag sizes, ensuring versatile application across different flag display setups. We offer them in 3 sizes; small, medium or large.

MATERIAL TYPE	A4 STAINLESS
FINISH	POLISHED

ADVANTAGES

- Good for various applications
- Highly durable
- Corrosion resistant
