 This is a guide only. (Do not use for lifting unless it is a certified lifting product)

ROUND RING WITH BAR

This ring provides a cross bar which prevents distortion when under high amounts of pressure. Round rings are versatile tools commonly utilized within the marine industry, as well as by campers, divers, and climbers. Their adaptability allows for use with rope, webbing, and chain assemblies across various activities and settings.

MATERIAL TYPE	A4 STAINLESS
FINISH	POLISHED

ADVANTAGES

- Ideal for webbing applications
- Good for outdoor use
- Cross bar for added strength
- Corrosion resistant
