Notes : Dimensions are a guide and may vary slightly. Pls check with us for dimension critical applications.
 If Break (BL), Safe working load (SWL) or Working load limit (WLL) are shown:
 This is a guide only. (Do not use for lifting unless it is a certified lifting product)

S HOOK

Our S hooks are perfect as quick chain connectors or for hanging baskets or butchery items etc. The large range of sizes gives enough choice for the small S hooks to be inconspicuous or the large ones to be used for suspending big items. It is easy to bend the smaller hooks to form a closed loop at one or both ends. Suitable for marine or food industry use.

MATERIAL TYPE	A4 STAINLESS
FINISH	POLISHED

ADVANTAGES

- Sturdy construction
- Will not rust
- Deburred ends for safety
