BUTT HINGE

The Butt hinge is a strong and durable hardware component used for secure attachment and smooth operation of doors, cabinets, and other fixtures. Made from high-quality A4 stainless steel (316 grade), renowned for its corrosion resistance and longevity, this hinge ensures reliable performance in various environments. It features a classic design with sturdy leaves that provide stability and ease of installation. Suitable for both indoor and outdoor applications, the A4 stainless steel butt hinge is ideal for residential, commercial, and industrial settings where durability and reliability are essential.

MATERIAL TYPE	A4 STAINLESS
FINISH	POLISHED

ADVANTAGES

- Good for various applications
