

STEEL GEAR

DOOR HOOK (TWIN CATCH)

**Includes extra
catch**

DOOR HOOK - LUXURY

This door hook is beautifully made in cast Stainless and finished with polishing. No joints or seams are shown, making it suitable for any “high end” application. It has 2 degrees of freedom, making it easy to secure the hook into the catch. It also has a second catch that can be secured to another mounting surface allowing the door to be held in separate positions.

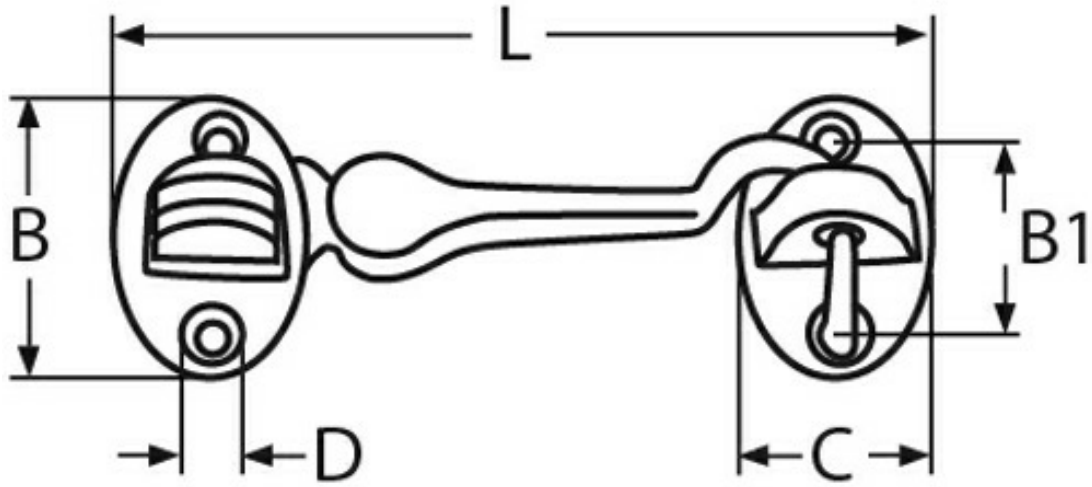

MATERIAL	
MATERIAL TYPE	A4 STAINLESS
FINISH	Investment cast/polished

ADVANTAGES

- Will not rust - even on the coast.
- Very strong
- Countersunk holes ready for fixing
