THREADED HOOK

A4 stainless steel threaded hook is a durable and versatile hardware item designed for secure hanging applications. Crafted from corrosion-resistant A4 stainless steel, it ensures long-lasting performance in both indoor and outdoor settings. The hook features a threaded shaft for easy installation into various surfaces and materials, providing reliable support for hanging objects such as tools, utensils, or decorations. Its robust construction and resistance to rust make it ideal for use in environments where moisture or harsh conditions may be present.

MATERIAL TYPE	A4 STAINLESS
FINISH	POLISHED

ADVANTAGES

- Good for various applications
- Highly durable
