This is a guide only. (Do not use for lifting unless it is a certified lifting product)

ROPE CLEAT

This type of rope cleat can be used for tying off rope on boats. It is manufactured in Marine grade A4 stainless steel and is finished with a high polish. It has two tapped holes into which it can be bolted to the deck, giving a smooth external appearance.

MATERIAL TYPE	316 STAINLESS
FINISH	POLISHED

ADVANTAGES

- Strong & durable
- Quick and easy installation
- Corrosion resistant
