If Break (BL), Safe working load (SWL) or Working load limit (WLL) are shown:  
This is a guide only. (Do not use for lifting unless it is a certified lifting product)*

### THROUGH HARDENED SECURITY CHAIN WITH FABRIC SHEATH

This Anti-Theft Chain is made from Zinc plated steel, giving you better security than mild steel chain.

Provides excellent security. It has a fabric wrapped sheath for scratch protection and ease of handling. It is case hardened and through hardened making it more difficult to crop with bolt cutters.

<b>MATERIAL TYPE</b>	<b>ZINC / HARDENED STEEL</b>
<b>FINISH</b>	<b>POLISHED</b>

### ADVANTAGES

- Zinc plated for corrosion protection
- Case hardened and through hardened for high resistance to bolt cutters and hacksaws
- Fabric Sleeved for ease of handling
- Shearing resistance of approx, 70KN (7 tonnes)
