Notes : Dimensions are a guide and may vary slightly. Pls check with us for dimension critical applications.

If Break (BL), Safe working load (SWL) or Working load limit (WLL) are shown:

This is a guide only. (Do not use for lifting unless it is a certified lifting product)

### LOAD RATED SAFETY PIN TYPE DEE SHACKLE

This type of Dee shackle is forged and has a larger pin than standard Dee shackles. It has a working load limit allocated to it and comes with a certificate. It is excellent for use in applications where a load limit is required for the product.

### ADVANTAGES

- High corrosion resistance
- Highly durable
- Load rated and forged for high strength
