If Break (BL), Safe working load (SWL) or Working load limit (WLL) are shown:
This is a guide only. (Do not use for lifting unless it is a certified lifting product)

Long arm S hook

These S hooks are perfect holding items. The longer lower leg than other rounded type S hook make them very suitable for applications where items have to be taken off and put back on the the S hook quite often.

MATERIAL TYPE	A4 STAINLESS
FINISH	POLISHED

ADVANTAGES

- Large range of sizes
- Will not rust
- Straight bar for the lower leg means items can be removed easily with one hand
