

| Code | L | L1 | B | S | HOLE | Weight (g) |
|------------|-----|-----|----|---|------|------------|
| HIT-100-A4 | 100 | 60 | 54 | 4 | 5.3 | 92 |
| HIT-152-A4 | 152 | 110 | 75 | 4 | 5.3 | 158 |
| HIT-197-A4 | 195 | 140 | 98 | 5 | 5.3 | 280 |

Notes : Dimensions are a guide and may vary slightly. Pls check with us for dimension critical applications.
 If Break (BL), Safe working load (SWL) or Working load limit (WLL) are shown:
 This is a guide only. (Do not use for lifting unless it is a certified lifting product)

Tee hinge

These hinges are cast as thick marine grade stainless heavy duty items. They are much thicker than the usual stamped from sheet hinges you often see. This enables the screw fitting to sit snug inside the countersink. The 3 different sizes gives option for many different size doors or gates. They can be used on boats or marine application as well as around the home .
