Notes : *Dimensions are a guide and may vary slightly. Pls check with us for dimension critical applications.*
If Break (BL), Safe working load (SWL) or Working load limit (WLL) are shown:
This is a guide only. (Do not use for lifting unless it is a certified lifting product)

TAKE APART HINGE

The take apart hinge is a high-quality, corrosion-resistant hinge designed for easy detachment and reattachment. It offers superior durability and resistance to harsh environments, including marine and industrial settings. This hinge is ideal for applications requiring frequent assembly and disassembly, such as panels, doors, and equipment that need regular maintenance or transportation. Its robust construction ensures reliable performance and long-lasting use.

MATERIAL TYPE	A4 STAINLESS
FINISH	POLISHED

ADVANTAGES

- Strong & durable
- Easily assemble & dissasemble
- A4 Stainless steel
