This is a guide only. (Do not use for lifting unless it is a certified lifting product)

Swage stud terminals for wire rope - mini series

These terminals are much smaller than the standard swage stud terminals and are used in architectural applications that require a smaller, more aesthetically pleasing terminal.

MATERIAL TYPE	A4 STAINLESS
FINISH	POLISHED

ADVANTAGES

- Easy to swage hydraulically
- Small appearance
- Perfect for decorative applications
- Or where space is limited
