For Steelgear and Schletter rails -  
Complete with With flange nut and  
Hammerhead Bolt to fix to the rail

Part no.	Description
SORHSLST-A2	Slate roof hook - Steelgear and Schletter rails
SORHSLRE-A2	Slate roof hook - Renusol rails

This roof hook is designed to be used on Slate tiles. It has 2 different adaptor plates so that it can be used for rails that have a horizontal hook mount such as steelgear or Schletter or a vertical hook mount for Rails such as reनुसल.

MATERIAL	Stainless
Requirements	Adaptor makes it useable on many types of rail
Mechanical attribute	High loading

### Advantages

-  Fast assembly
-  Cost Efficient

**Roof hook is supplied with all fasteners for mounting the rail. Only Joist screws are required.**

## DATASHEET - Slate roof hook
